## 6. Background and Basic Information Regarding Organization

Middletown Sports Boosters Club is a non-profit organization that serves as a support organization to the athletic programs at Middletown High School and Middletown Middle School. We help bridge the gap between MUSD funds and the needs of the athletes for sporting equipment.

## 7. Justification

Due to the increasing difficulties faced by the school district related to state level budget cuts and constantly increasing costs, the Middletown Unified School District has made the difficult decision to cut the financial support provided to school athletics. The Middletown Sports Booster Club is committed to providing as much financial support to the sports programs of Middletown Middle School and High School as possible. Through conversations with the Head Coach of the Middletown High School football team, he noted that they are having to purchase only a few helmets at any one time due to budget constraints. The Booster Club is hoping to remove the financial pressure of purchasing football helmets for a few years by purchasing 10 helmets for the team.

## 8. Intended Use of Funds in Detail

As noted above, the funds will be used to purchase 10 football helmets for the Middletown High School football team. Football helmets can only be used for 10 years before having to be retired. Coach Woodard has many helmets that are on their final year before needing to be retired.

## 9. How Intended Use of Funds will Further Delivery of Health Care Services Within Redbud Health Care District

As has been well-documented in recent years, head injuries are a near-constant concern for athletes playing football. With the rising concern around head injuries, the technology that has gone into improving player safety has increased as has the quality of the helmets that players have access to for keeping themselves safe. With the purchase of the 10 helmets, players will have greater access to newer, more reliable helmets that can help keep them safe.

## 10. Detailed Basis for Funds Requested

After speaking with Coach Woodard, 10 helmets purchased from Riddell All American Sports costs \$4,827.14 (quote attached). The funds that Redbud can contribute to this purchase will allow Coach Woodard to give the desired increased safety to his players. Thank you for your consideration.
