Veterans of Foreign Wars

I hope this letter finds you well. I am reaching out on behalf of Clearlake Veterans of Foreign War Post 2337 a nonprofit organization that supports our Veterans and their families. Our goal is to assist local veterans with food, shelter, gas for medical appointments (both local and in San Francisco), clothing, and anything they might need to help them feel appreciated for their service. With over 7,000 veterans of all the service branches we would appreciate your support.

At this time, we are seeking support for everyday expenses due to our overwhelming expenses in keeping up the post for veterans to have someplace to go and get food, stay warm, and or to socialize. Your generous contribution can help us keep our doors open so we can continue to help our veterans in need.

We invite you to be a part of this meaningful initiative by making a donation of any amount. Your support will help us continue our efforts and reach more people in need. Donations can be made via check made payable to our post.

If you have any questions or would like to discuss how you can be involved, please feel free to contact me. My cell phone number is 1-928-607-6265. We truly appreciate your time and consideration.

Thank you for your generosity and for believing in our mission. Together, we can make a difference.

Best regards,
Irl Morehouse, Commander
