Attn: President, Board of Directors
P.O. Box 4667
Clearlake, CA 95422

Dear Redbud Health Care District,

On behalf of Kelseyville High School, I would like to extend our heartfelt gratitude for your generous grant of \$10,000 in support of the *Every 15 Minutes* program. Your contribution played a critical role in the success of this powerful drinking and driving awareness initiative, which reached our entire study body.

A program of this magnitude requires months of planning and the dedication of numerous community partners. We were fortunate to have the unwavering support of first responders, hospital personnel, school staff, and local business and community members. This collaboration underscores our shared commitment to keeping our youth safe from the dangers of impaired driving.

In addition to your generous grant, we were able to raise nearly \$7,200 in additional funds through private donations. The program is also supported by a grant from the California Highway Patrol. These combined resources enabled us to provide transportation and meals for participants and their parents, secure lodging for the student retreat, hire a videographer and production team, and cover the costs of flowers and make up. We also provided t-shirts for participants, involved community members, and our study body.

The impact of your support extends far beyond the two-day event. By investing in the *Every 15 Minutes* program, Redbud Health Care District has made a lasting contribution to the health, safety, and well-being of our students. Your support helps foster a culture of responsibility and awareness that can save lives.

Thank you once again for your generous support. We are deeply appreciative and look forward to the opportunity to collaborate again in the future to continue making a positive difference in our community.

Sincerely,

A handwritten signature in blue ink that reads "Mike Jones". The signature is fluid and cursive, with the first name "Mike" and last name "Jones" clearly legible.

Mike Jones
Principal, KHS
