Dear Redbud Health Care District,

On behalf of the Lower Lake High School Class of 2026, I am writing to respectfully request funding in support of our Sober Grad Night celebration. This event is a long-standing tradition designed to provide graduating seniors with a safe, fun, and memorable way to celebrate their accomplishments while remaining free from drugs and alcohol.

Graduation night is one of the most dangerous times of the year for young people. Our Sober Grad Night program offers an engaging alternative, ensuring that students can celebrate together in a secure environment. This year, our committee has worked hard to enhance the event by moving away from on-campus activities and hosting an exciting off-site celebration at SunSplash in Roseville. We believe this change will make the night even more appealing to students while continuing to prioritize their safety.

To make this event possible, we rely on the generous support of local organizations, community partners, and grant funding. Contributions directly cover the costs of transportation, venue rental, entertainment, and prizes, all of which make the evening affordable and accessible for every graduating senior, regardless of financial circumstances.

Your support will help us:

- Provide a safe, substance-free celebration for over 200 graduating seniors.
- Reduce the risk of alcohol- and drug-related incidents on graduation night.
- Strengthen community bonds by showing our youth that their well-being matters.

We respectfully request a grant in the amount of \$15,000.00 to help underwrite the costs of this year's Sober Grad Night. With your help, we can ensure every graduate has the opportunity to celebrate their milestone in a safe and positive way.

Projected Budget

- Venue & Admission (SunSplash in Roseville): \$20,923.35
- Transportation (Charter Buses): \$9,000.00
- Food & Refreshments: \$500.00
- Prizes & Giveaways: \$1,500.00

Total Projected Cost: \$31,923.35

Thank you for considering this request and for your commitment to supporting youth programs in our community. We would be happy to provide any additional information or meet with your team to discuss how your contribution will directly impact the success of our event.

With gratitude,

Rachael Myer
