Re: Amendment to Engagement Letter to Expand Scope of Work

Dear Mr. Colbrandt:

Meyers Nave appreciates working with the District on current projects. We understand that the District is interested in amending our current legal services agreement to include work on reviewing and updating grant agreements and contracts. We would propose to do such work at the hourly rates currently set by the agreement. Please confirm, by signing below, this amendment to the scope of work and sending an electronic copy back to me.

Very truly yours,

Richard D. Pio Roda
